Brief Introduction

Spinach powder is made from the fresh spinach, leafy green vegetable that originally came from southwestern Asia. Spinach powder is also a great source of vitamin A, vitamin C, vitamin K, and folic acid. Spinach powder is also a good source of chlorophyll, which is known to aid in digestion. Yesherb spinach powder is also rich in the carotenoids beta-carotene and lutein, and bioflavonoid quercetin, giving spinach anti-oxidant properties in addition to its many other benefits.

Application

Used in functional foods, health products.
Added in food products.
