Brief Introduction

Wheat grass juice powder is prepared from wheatgrass sprouts of the common wheat plant, *Triticum aestivum* (subspecies of the family Poaceae). Wheat grass juice powder has been determined to be one of the most beneficial nutritional supplements ever developed. Supplementing with wheat grass powder may improve energy levels, strengthen the immune system, reduce the likelihood of certain types of cancer. But most impressively, wheat grass juice powder contains nearly all the vitamins, mineral, and nutrients that a body needs to maintain good health.
